

ASIAN CADET CIRCUIT
(Revised Guidelines, September 2017)

Objectives:

1. To enhance the development of Asian cadet fencers and thus hasten the overall competitiveness of Asian fencers in the world of fencing.
2. To encourage more young fencers in Asia to participate in international competitions

Cadet Season

- A cadet season starts in April (after the world juniors/cadets) until March (to include the next Asian Juniors/Cadet) of the following year
- The overall ranking considers the best 3 circuit competitions plus the zonal cadet championships at the end of the season.

Cadet Competitions

- Each cadet competition will be organized in an Asian or Oceania country
- Such cadet competition should be in individual events for boys and girls (in the same weapon) played over a weekend.
- Organizing countries may include team events should there be enough interested fencers, but no points will be awarded
- In each event, host countries may enter a maximum of 64 fencers while other participating countries are limited to a maximum of 20 fencers. Fencers from other continents are welcome and will be subjected to the same conditions to participate.

Entries and Fees

- All participating cadet fencers must have a valid Asian license for the season, issued by the FCA. Cadet fencers must register with the FCA to apply for such license and pay an annual fee of US\$15 to the FCA.
- To participate in any Asian cadet competition, all participating fencers (even those from other zones/continents) must be endorsed by their federations.
- Cadet fencers with valid Asian license interested to participate in any scheduled cadet competition in the season must register through the FCA website at least one week before the start of competition.
- Participating cadet fencers should pay an Entry Fee directly to the organizers of the competition. The maximum entry fee to be paid is US\$40 per individual, and US\$60 per team (to participate in team events)
- Organizers may charge additional amounts should participating fencers require assistance for hotel booking, airport transfer, transportation to venue, receptions, etc.

Points and Ranking

- The points (earned from the best 3 circuit competitions plus the zonal cadet championships) will be counted into the Ranking. Seeding of the fencers in every cadet competition (any circuit and the zonal championships) will consider the latest Asian ranking of the cadet fencer before such competition.
- For competitions participated in by at least 30 fencers from at least 5 Asian/Oceania countries, the following points will be awarded:

1 st Place = 32 points	9 th to 12 th Places = 9 points
2 nd Place = 26	13 th to 16 th = 8
3 rd Place = 20	17 th to 24 th = 6
5 th Place = 16	25 th to 32 nd = 4
6 th Place = 14	33 rd to 64 th = 2
7 th Place = 12	65 th to 128 th = 1
8 th Place = 10	
- For scheduled competitions with less than 30 fencers or at least 5 Asian/Oceania countries, ONLY 50% of the points will be awarded.
- In all competitions, fencers who are eliminated from the round of pools, will receive zero (0) point.
- FCA shall be responsible for tabulating the overall Asian cadet ranking based on the points awarded during the competition
